Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Pursuant to a congressional request, GAO reviewed the detailing of executive agency employees by Cabinet-level departments and the Environmental Protection Agency (EPA) to Executive Office of the President (EOP) agencies, to determine: (1) agency compliance with appropriation act requirements; (2) compliance with reimbursement requirements for details over 180 days in a fiscal year; (3) the extent to which Schedule C detailees have been converted to career positions since January 20, 1989; and (4) whether any other executive branch personnel performed duties at the five EOP agencies. GAO found that: (1) 115 employees were detailed to 4 of the 5 EOP agencies during fiscal year (FY) 1991; (2) another 25 persons who worked at EOP agencies during FY 1991 were categorized as nondetailees; (3) 76 Schedule C appointees were on detail at EOP agencies from November 1990 through March 1992; (4) 4 of those employees were appointed after November 6, 1990 and were subject to the certification requirement; (5) EOP identified five categories of other employees working at EOP that it considered nondetailees because they did not meet the Office of Personnel Management's (OPM) definition of a detailee; (6) EOP did not apply the reimbursement criteria to the other categories of employees as it did for detailees; (7) it agreed with EOP employee category classifications, except the category of assignee; (8) no Schedule C detailees were converted to career positions during the review period; and (9) EOP should clarify the definition of detailees and report nondetailees to Congress.
