## REDEEMING SINGLENESS (PAPERBACK)

Wipf Stock Publishers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Have you made a New Year s resolution to get married out of nowhere? Did it work? Social pressure made her think that if she wanted to ever get married, it was better to do so sooner than later. As she reflected on her unhappiness, she finally realized that she was not happy because she was not able to accomplish a goal that was ultimately out of her control. --How absurd it was to put get married on my New Year s resolution!!-- As she eliminated marriage from her New Year s resolutions and focused on what she really wanted to do with her life, her energy level was boosted. Although she did not have any tool to frame her singleness, she happened to choose the best course for her. Only if she knew the socially constructed characteristics of marriage, the first three years of her thirties would have been different. The author invites never-married single women to own their own stories instead of being owned by metanarratives in their lives. --Too often single women in Korean churches are marginalized by a theology that promotes marriage and family as keys to happiness. This book weaves empirical data, narrative theory, and personal experience to liberate...
