Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Alfred Music, 2006. Paperback. Condition: New. Language: English . Brand New Book. See it * Hear it * Play it! A DVD is included with every book in Alfred s MAX[T] Series, offering maximum instruction at a minimum price. You won t just hear the performance, you ll also see how it s done, making it very easy to learn to play. Learn to Play Keyboard Complete combines Levels 1 and 2, and the book and DVD work together so you can see and hear what you re playing. You ll start with the basics like how to sit at the keyboard, read music and play chords, then move on to techniques for several different styles and genres. Styles covered include blues, rock, jazz, classical, and folk, and you ll hear every example performed by a live keyboard player. This is an excellent way to start playing keyboards and quickly move on to the intermediate level!.
