

## Designing Social Research (Paperback)

By Norman Blaikie

Polity Press, United Kingdom, 2009. Paperback. Condition: New. 2nd Edition. Language: English . Brand New Book. Norman Blaikie's popular and accessible text on preparing research designs and proposals for students in the social sciences has been fully revised and updated, taking in the burgeoning literature in the field. The author places particular emphasis on the formulation of research questions and the selection of appropriate research strategies to answer them. He argues that other design decisions, such as the selection of data sources and methods of data collection and analysis, must be made in the light of the particular assumptions associated with each research strategy. As well as reviewing these assumptions, the book includes: a new section on the use of mixed methods; additional material on the use of case studies; an expanded discussion of the relationship between theory and research; and annotated suggestions for further reading and detailed point summaries at the end of each chapter. The basic requirements for research designs and research proposals are laid out at the beginning of the book, followed by discussion of the major design elements, and the choices that need to be made about them. Four sample research designs are at the end of the volume...

### Reviews

*Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).*

-- **Jaiden Konopelski**

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Ken Watsica**
