Createspace, United States, 2012. Paperback. Book Condition: New. 3rd. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.What is APA Format? In an attempt to establish formatting and stylistic rules for professional writing, and to increase the ease of reading and essay or research paper, The American Psychological Association (APA) has released six versions of the APA Manual since 1929. Because many students struggle to remember all the details of the APA style and how to cite APA references, I have written and easy to follow, step-by-step, example based guide to building a Title Page, an Abstract, the Body of your paper, and a Reference page by answering the major questions of writing an APA style paper: -What is APA formatting? -How to organize an essay or research paper. -How to outline information you ve already gathered. -How to write an essay or research paper from an outline. -Steps for writing an essay with greater clarity and precision. -Building citations within your paper and on your Reference page. Also included in this guide: - A step-by-step illustrated guide to format an APA document in both Microsoft Word 2010, Word 2013, Word 2011 for Mac, and Apple s Pages 09. - Numerous APA examples and high resolution screen shots to help students correctly format documents within 15 minutes. -Access to website support at where you can download APA templates and writing guides. - Two Quick Reference pages that cover Referencing and Citations, and major APA rules that many students forget. - Tips for adding clarity to any writing style including: How to write your paper with greater flow of thought and a Quick Reference guide for writing coherence. Specific examples that cover how to cite new media such as blog posts, emails, websites, online lectures,...
