THE LANGUAGE OF GAMING (HARDBACK)

Palgrave MacMillan, United Kingdom, 2011. Hardback. Condition: New. New.. Language: English . Brand New Book. This innovative text examines videogames and gaming from the point of view of discourse analysis. In particular, it studies two major aspects of videogame-related communication: the ways in which videogames and their makers convey meanings to their audiences, and the ways in which gamers, industry professionals, journalists and other stakeholders talk about games. In doing so, the book offers systematic analyses of games as artefacts...
