

Nursing Care Managemet: Standards of Practice NCLEX Exam Prep (NCLEX Exam Preparation)

By Mike Rosagast

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 184 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Nursing Care Management Nurses must frequently apply various management principles while caring for their clients in various health care settings. This unit has been crafted to clarify these issues. It begins with a comprehensive view of nursing practice standards as well as legal and ethical aspects of nursing. Client care management issues such as determining priorities, working with the health care team, making assignments, and coordinating client care as the client progresses from admission through discharge have been described along with valuable principles to facilitate the nurses application of this information. Safety considerations regarding fire, electricity, equipment, and the use of physical restraints have been incorporated. This unit also includes selected principals and interventions related to specific aspects of care such as body mechanics, transfer techniques, positioning, application of cold and heat, asepsis, and the care of clients who develop or are at risk for pressure ulcers. STANDARDS OF NURSING PRACTICE Nursing practice is a direct service that is goal directed and adaptable to the needs of the individual, family, and community during health and illness. Professional practitioners of nursing...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Mrs. Josiane Collins

Merely no phrases to describe. Better then never, though i am quite late in start reading this one. Its been written in an extremely easy way which is merely following i finished reading this publication through which in fact transformed me, change the way in my opinion.

-- Pedro Renner
