Brand New Book ***** Print on Demand *****.Stop putting it off! Let the experts show you the simple way to resume success. All of your educational, professional, and personal accomplishments will not help you get a job if you cannot condense that information into a concise, polished resume. And while you may think resume writing is not one of your strengths, it s the skill that will do the most to get you to the next step - the job interview. With so much riding on the resume, you need help from the experts. Just follow the simple steps in the PLA s revised Guide to Basic Resume Writing and in no time you ll produce a document that skillfully summarizes your qualifications and separates you from the rest of the pack. Whether you re changing careers, re-entering the job market, or looking for your first job, this comprehensive guide will show you how to: present your educational and work experience in a way that highlights your specific job qualifications; use direct, active language to showcase your communication skills; prevent potential pitfalls that could land your resume in the circular file; draw from dozens of sample resumes - including Spanish-language examples - to construct a template that works for your needs; impress your potential employer at first glance with professional quality proofreading, formatting, and printing; keep your name on the short hiring list with effective cover letters and follow-up correspondence; create a scannable resume for electronic submission. In today s tight job market, a well-written resume can mean the difference between professional success and the unemployment line. Give yourself a competitive edge with The Guide to Basic Resume Writing.
