

## Management in The Information Technology Sector 101 What You Wont Find in the University Text Books

By Ronald Stanley

lulu.com. Paperback. Condition: New. 200 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. When we go to school, college or university we were taught all about all kinds of things, different subjects such as mathematics, English literature, history, geography, but who teaches you or tells you about what it's like to go to work? What happens and what should you expect? What should I do if I want to climb the corporate ladder? I think many of us go and start work fresh and naive and try to figure it out ourselves as we go along. This paperback is intended to tell you what the cynic sees in the running of companies in the modern working environment and reflects my own observations from 20 years in the workforce, primarily spent in industry and also as a software consultant for several major software firms. I really wanted to address the issues that the glossy ideal images of the corporate world don't want to acknowledge exist, the types of things you'll never find in any textbook on Management in any Library but nevertheless have a major effect on us every day at work, which is a large part of most people's lives. I myself have...
