Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Twenty-Five Years With the Insane The author desires, in this way, to acknowledge his obligations to the Superintendents of the asylums for the insane in Michigan, and especially to Dr. Palmer, of Kalamazoo, for his kindness in examining the manuscript of the book, and for many valuable suggestions. It should be stated, however, that he is in no degree responsible for any opinions and ideas expressed. It is deemed necessary to make only this general acknowledgment for the material derived from historical and other books treating of mental diseases, since those works are well known to all familiar with the literature of insanity, and most of the matter thus obtained is, to a large extent, common property. The author is under much obligation to H. A. Ford, Esq., for his invaluable assistance in the corrections of proofs, and for many typographical suggestions. Messrs. Winn Hammond also deserve grateful mention for the beautiful form in which the book appears. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
