Brand New Book ***** Print on Demand *****.All through the exhibition the two sat unmoved; yet on the whole it was the best Wild West show that ever stirred sawdust in Madison Square Garden and it brought thunders of applause from the crowded house. Even if the performance could not stir these two, at least the throng of spectators should have drawn them, for all New York was there, from the richest to the poorest; neither the combined audiences of a seven-day race, a prize-fight, or a community singing festival would make such a cosmopolitan assembly. All Manhattan came to look at the men who had lived and fought and conquered under the limitless skies of the Far West, free men, wild men-one of their shrill whoops banished distance and brought the mountain desert into the very heart of the unromantic East. Nevertheless from all these thrills these two men remained immune. To be sure the smaller tilted his head back when the horses first swept in, and the larger leaned to watch when Diaz, the wizard with the lariat, commenced to whirl his rope; but in both cases their interest held no longer than if they had been old vaudevillians watching a series of familiar acts dressed up with new names.
