The fictitious family is a great role model, and the children model forgiveness in a powerful way. The book is filled with light suspense as young readers attempt to guess the identity of the mystery animal. I have seen so many books that I would not let a teen read recommended for children and then I have my faith renewed when an author comes along and writes a very appropriate book for small children. This is a really wonderful read for all children. a well-crafted, character driven story Amazon reviewers Fans of The Magic Tree House series will love this brother and sister pair, and fans of classic, heroic dogs - from Lassie to Beethoven - will love Rosco.
