The trials and tribulations, and obstacles of all of life's adventure. And the things politicians and the government don't want you to know. We all search for love, and hope to hold on for dear life, but sometimes that's not the case. Sometimes however it is the case and we can live happily ever after. Life can be hard on us, and sometimes we just need someone to lift us up and help us through hard times. There are also things in life that need to be addressed and this book does that. Hopefully it has a reach one teach one type of affect pertaining to life. Politics is a sore subject for any nation, but at some point in time we have to stand up and say no more. We have to face the music of politics and learn from them. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
