

## From Rocks to Rockets: A Humorous History of Warfare

Filesize: 9.64 MB

### **Reviews**

*This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Ms. Missouri Satterfield DVM)*

Osprey. 1 Cloth(s), 2008. hard. Book Condition: New. As a boy William Gilkerson now a painter, sailor, historian, and winner of Canada's Governor General's Literary Award used to draw little soldiers, an addiction that led to this tongue-in-cheek history of man's combative prowess over the millennia. Originally published in 1963, Gilkerson's book for all ages tells how cavemen with rocks evolved into soldiers with rockets, while all along we have been perhaps tilting at windmills. Straight-faced irony is in the text "All these new weapons enabled the peoples who owned them to take other, less fortunate peoples under their protection" while slapstick humor abounds in Gilkerson's precise miniature tableaux. "From Rocks to Rockets is both a sweeping and sobering overview of humanity's insatiable appetite for death and destruction. So why am I still smiling?" David Macaulay 64.
