Creation House. Paperback. Condition: New. 64 pages. Dimensions: 8.3in. x 5.5in. x 0.2in. The damage caused to the child victimized by physical, sexual, verbal or emotional abuse does not disappear when the abuse stops. Sadly, the effects of childhood abuse often persist into adulthood, threatening to resurface unless the necessary healing takes place. Pastor Susan Rodgers shares her personal testimony of childhood abuse, brokenness, and the redemption that only Christ can provide. She confronts the confusion and frustration that victims of abuse are often left to deal with on their own. The insight within these pages provides a glimpse into the pain that many feel obligated to bear in silence, and offers a life-changing message of hope for the hurting. We must guide these precious people to the only true source of comfort: the unfailing love of Jesus Christ. As you embark on this journey, allow God to expose your own hidden scars. Invite Him to heal and restore you, so that you too can enjoy the freedom of abundant living. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
