## Japanese Cinema Between Frames

By Laura Lee

Springer-Verlag GmbH Nov 2017, 2017. Buch. Condition: Neu. Neuware - This book explores the rich complexity of Japan's film history by tracing how cinema has been continually reshaped through its dynamic engagement within a shifting media ecology. Focusing on techniques that draw attention to the interval between frames on the filmstrip, something that is generally obscured in narrative film, Lee uncovers a chief mechanism by which, from its earliest period, the medium has capitalized on its materiality to instantiate its contemporaneity. In doing so, cinema has bound itself tightly with adjacent visual forms such as anime and manga to redefine itself across its history of interaction with new media, including television, video, and digital formats. Japanese Cinema Between Frames is a bold examination of Japanese film aesthetics that reframes the nation's cinema history, illuminating processes that have both contributed to the unique texture of Japanese films and yoked the nation's cinema to the global sphere of film history. 177 pp. Englisch.

### Reviews

*Comprehensive guideline for book lovers. It is really simplified but excitement in the fifty percent in the publication. Your daily life period is going to be change as soon as you full looking at this book.*

-- **Kayley Lind**

*Absolutely essential go through ebook. It is actually rally intriguing through looking at time. I realized this ebook from my i and dad advised this publication to understand.*
