Muslima Today, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Forbidden Relationship illustrates the dangers of haraam relationships. It offers deep insight into what a haraam relationship is and why it is deemed wrong, all the while providing practical steps on how to avoid such relationships, and if worse comes to worst, how to deal with the aftermath of such a relationship. This book isn't just a manual of do's and don'ts. Rather, it is a handbook that seeks to serve as enlightenment for those who are content in their forbidden relationships, a counsel for those who may be emotionally trapped in them, and a guide for those that wish to break free without being left broken themselves. It is for those who have experienced tragic breakups and now wonder how to piece together their broken hearts. Finally, this book also intends to be a means of glad tidings for those who, by the Mercy of Allah, have been protected from this evil. About the Author Maryam Yousaf is a writer who focuses her pieces on the issues that affect the Muslims of today. Her writings have already made a wave of difference to those who know her from her social media presence. Her repertoire of books includes The Ocean of Inspiration, The Rebirth of Love: The Journey to Self-Love, and the Little Muslims Inspiration Series for young Muslims.
