Dodo Press, United Kingdom, 2008. Paperback. Condition: New. Illustrated. Language: English . Brand New Book ***** Print on Demand *****.Jane Andrews (1833-1887) was the author of *The Seven Little Sisters Who Live on the Round Ball That Floats in the Air* (1861), *Each and All: The Seven Little Sisters Prove Their Sisterhood* (1877), *Ten Boys Who Lived on the Road from Long Ago to Now* (1885) and *The Stories Mother Nature Told Her Children* (1889). So many children and their teachers all over the country have become friends of my sister, Jane Andrews, through their interest in her books, that I thought it might give them pleasure to hear some account of the school which she taught for over twenty- five years-the pupils of which she had in mind in all her writing. This school was begun in an upper chamber in our old home in Newburyport, Massachusetts, where a distant glimpse of the ocean could be seen through a side window, and the roar of the breakers could be heard in the winter storms.
