Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Christine Vencato (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Angels with Nature is an adult colouring book depicting enchanting angels interacting with some of nature's creatures. This book contains 24 hand drawn illustrations featuring angels with: butterflies, a horse, mayflies, a lamb, a tiger, an orca, flamingos, lions, cats, a mountain goat, a giraffe, a fox, rabbits, owls, woodpeckers, a koala bear, squirrels, fish, a stag, a frog, wolves, hummingbirds, dragonflies and a pair of doves. The angel faces lend themselves perfectly to the practice of mindfulness and relaxation. These illustrations are designed to challenge even the most experienced colourists, but there are some simpler illustrations for some light relief! Single sided designs printed on medium weight white paper - perfect for pastels or coloured pencils. If you prefer to work directly inside the book using gel pens/markers, it is advisable to place a sheet of plain paper between the pages to prevent bleed through. Or, you are free to photocopy these designs on your favourite paper or card for your own use.
