Groganbooks.com, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. By popular demand, the executive hardback edition of last year s bestselling Generation X startup guide, What s Wrong With Your Small Business Team? . loaded with new updates and video support online. -----

Many small businesses go out of business unnecessarily. Owners don t leverage the precious game-changing data at their fingertips. They don t extract the Wisdom of their Mound that s locked inside the heads of every team member on the premises. Veteran business consultant Leander Jackie Grogan has shaken up the status quo with the ANTHEAD SYNDROME, a groundbreaking system that stretches the traditional entrepreneur into a nimble sky-walker with an array of leadership styles and expansive knowledge of managing ambiguities, personal preferences and case by case scenarios. The new system is not for the faint of heart. What will the new small business model look like? In a word: chaotic. It will resemble a superorganism of skillful, aggressive, meticulously trained ants, loosely directed by a queen and a few drones, scouring the countryside for opportunities. If you don t know what polymorphism means, don t worry. After...
