BABIES AND TODDLERS

Anness Publishing. Paperback. Book Condition: new. BRAND NEW, Babies and Toddlers, Armadillo, With over 50 reusable stickers, this is a play-and-learn sticker book that presents a baby's-eye viewpoint of the world. It offers lively images show real babies and toddlers in familiar, everyday situations - and some more imaginative ones - that will capture the interest of young readers. It features entertaining subjects such as clever babies, getting dressed, baby's day, and mischief-makers. It includes sticker activities that put learning into practice and make it an enjoyable experience - find a mobile to stop William from crying, track down the missing puppies and chicks, locate a rattle, provide a band for the dancing toddlers, and give a drink to a thirsty baby. It encourages preschool children to develop early literacy and numeracy skills. There are reusable stickers for every page that can be stuck down time and time again. All young children are fascinated by smaller versions of themselves. This photo-sticker book captures the charm, the changing moods and the everyday activities of baby girls and boys, adventurous toddlers, and even baby animals. Every page presents a view of the world just as little ones see it, which will make them want to turn the pages and use the stickers over and over again. The result is an interactive play book that will inspire preschool children to join in by talking about the pictures and taking their own first baby steps towards reading.
