Reviews

A very great pdf with lucid and perfect explanations. It really is rally interesting through reading time period. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about in the event you question me).

COBEL EDICIONES, 2011. Condition: Nuevo. Textos de una santa que supo ser muy niña delante de Dios Teresa de Lisieux afirmó en su autobiografía: Siempre he deseado ser una santa, pero, por desgracia, siempre he constatado, cuando me he parangonado a los santos, que entre ellos y yo hay la misma diferencia que entre una montaña, cuya cima se pierde en el Cielo, y el grano de arena pisoteado por los pies de los que pasan. En vez de desanimarme, me he dicho: el buen Dios no puede inspirar deseos irrealizables, por eso puedo, a pesar de mi pequeñez, aspirar a la santidad. En el presente volumen se recogen diversos textos de la santa agrupados por temas para la meditación personal del lector. Ojalá esta pequeña gran maestra de vida interior nos ayude a aspirar también a esa santidad personal que consiguió con su lucha y, sobre todo, con la ayuda de Dios.
