LEARN SIMPLE SERGING (PAPERBACK)

Annie s Attic, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. By following the step-by-step instructions within the pages of this book, you ll be amazed by how simple it is to use your serger. Using a serger allows you to create professional-looking projects quickly and easily, leaving you more time to do what you really love - sewing even more projects with your serger! With one third of the pages dedicated to general instruction, it is a good book for beginners. Most projects require only a serger (no sewing machine) to complete.
