Arcadia Publishing, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The Historical Society of Washington, D.C., an educational and cultural institution serving the residents of metropolitan Washington, presents *Growing Up in Washington, D.C.: An Oral History*, a book of memories excerpted from dozens of oral history interviews about childhood in Washington during the twentieth century. Telling stories of the past—from playing soccer on the National Mall to visiting the Zoo, from marching in inaugural parades to riding the roller coasters at Suburban Gardens—residents from all four quadrants of the city, from different racial and religious backgrounds, have documented the vital history of our nation's capital in their hearts and minds. In this collection, they share their personal experiences of attending school, celebrating holidays, playing games with friends, riding the streetcars and metro, and growing up in families and neighborhoods that, early on, shaped the course of their lives. Their fascinating tales and anecdotes provide a window into the city's development as seen through the innocent, yet discerning, eyes of its children. Illustrated with historic images of city life, such as eating at the Hot Shoppes and ice skating on the mall, and of recognizable local landmarks, such as Hains Point, the fun house at Glen Echo, and Rock Creek Park, *Growing Up in Washington, D.C.* brings to life the people and places that have helped to create the city's singular character. A one-of-a-kind testament to the variety of life in the great capital of the United States, this collection of personal childhood stories and vintage photographs offers a wealth of perspectives on growing up in Washington during the twentieth century.
