Ghosts don t believe in you, either. Seventeen-year-old Dayton Mulligan is stuck looking after his little brother Jeremy when their father goes off on his annual hunting trip. But when Dad s last phone call ends in a shotgun blast, it s enough to send both boys out into a blizzard to search for him. Caught in the killer weather, Dayton and Jeremy take refuge in an abandoned hunting cabin, which isn t as empty as it first seems. A ghost inhabits its walls and promises to reveal the truth behind their father s disappearance, but the brothers doubt their host s sincerity as the spirit demonstrates its hatred for anyone who trespasses on its land. Far from the safety of civilization, Dayton must swallow his fears, fight for himself and for his family before it s too late and Hunter s Trap claims them all, forever.
