What could be more thrilling than the tale of Aladdin and his exploits with the wonderful lamp? Aladdin is a young man from a poor family. When he is tricked by an evil magician who pretends to be his uncle, Aladdin ends up trapped in a cave full of treasure. Among the hoard is an extraordinary golden lamp, and when the young man rubs it, there is a flash, and a wisp of smoke that takes the form of a man. It is a genie, who has been waiting for a hundred years for someone to rub the lamp and release him. With the riches from the cave and the genie's magical powers, Aladdin and his mother are no longer poor. However, the evil wizard has other plans. Readers will be spirited away on a very big adventure!
