SIMPLE STEPS ACCOUNTING REVISION VOLUME 1: ACCOUNTING BOOK (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Accounting had been found to be one of the stubborn subjects confronting financial students especially at the Professional level. Many students who might have had poor grasp of numerical subjects will have to battle with the subject and the likes. Though having naturally got used to English Language as it is used officially in offices, they will read and understand any prose subject such as Law or Management. But what is Double - Entry principle? This is an age- long problem that solution must be sought. It is appreciated that up to recently, graduates of all works of life who found themselves in setting up business of their own were having difficulty to prepare a good account of their spending, since their field or study for a first Degree is not Accounting, Hence Accounting becomes an obstacle that must be crushed or permanently mar the noble business. This book is made simple for students preparing for local and International Examination in Accounting as a subject, its start from the basic foundation of the subject, the Accounting Concepts and Conventions, Sole- Trader known as Incomplete Accounts up to Limited Liabilities Accounts known as Companies Accounts with practical questions and suggested solutions with all their workings were shown in details in this volume 1. You can be sure of your success, if you can get a copy for yourself.
