

Men in Space

By Tom McCarthy

Vintage Books. Paperback. Book Condition: New. Paperback. 293 pages. Dimensions: 8.1in. x 5.3in. x 0.9in. The first novel written by Booker finalist Tom McCarthy, acclaimed author of *Remainder* and *C*. *Men in Space* is set in a Central Europe rapidly fragmenting after the fall of communism. It follows an oddball cast of dissolute bohemians, political refugees, a football referee, a disorientated police agent, and a stranded astronaut as they chase a stolen painting from Sofia to Prague and onward. Planting the themes that McCarthy's later works develop, here McCarthy questions the meaning of all kinds of space—physical, political, emotional, and metaphysical—as reflected in the characters' various disconnections. What emerges is a vision of humanity adrift in history, and a world in a state of disintegration. With an afterword by Simon Critchley, author of *The Book of Dead Philosophers*. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Paperback.

Reviews

A superior quality ebook and also the font used was interesting to read through. This is for all who state there was not a well worth reading. I discovered this publication from my dad and i encouraged this pdf to learn.
