By Chester Stern

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Throughout her public life the eyes of the world were on Diana, Princess of Wales. But who else was watching her more closely? What were their motives? What was their agenda? And what was their role in her death? Diana famously predicted her own demise in a road accident. When it happened Her Majesty the Queen warned Diana s butler to beware of dark forces, telling him of powers at work in this country about which we have no knowledge. After two international police investigations and an exhaustive inquest, questions still remain about the circumstances surrounding the death of the self-styled Queen of Hearts. On the night she died two secret operations - one connected to the British Establishment and one involving major figures in the French government - collided unintentionally with catastrophic results. From Bosnia to Baghdad, from Paris to Washington, from Angola to London this faction thriller tells the compelling story of the British, French and American secret services involvement in the most iconic car crash in history.and beyond. The names, dates, places and events are real. Only...
