

A Visit to Haldeman and Other States of Mind

Filesize: 7.59 MB

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, A Visit to Haldeman and Other States of Mind, Charles L. Mee, In a literary tour de force, Charles L. Mee Jr. interweaves images and impressions from his life with political reflections inspired by a meeting with former Nixon aide H. R. Haldeman. The meeting-to discuss the possibility of collaborating with Haldeman on a book about his White House experience-becomes the vehicle for Mee's probing of his own political perceptions. Here, exposed to the scrutiny of an unsparing journalistic eye, are the deep feelings of loss and failure that the Nixon debacle engendered in those Americans who came of age during Kennedy's "Camelot" and marched to the anti-Vietnam anthems of the Johnson era. Mee writes with moving authenticity of his Midwest-Catholic boyhood and family roots reaching back to the Plymouth settlement; he vividly recounts the physical and psychological pain of a near-fatal battle with polio at age fourteen and his intellectual awakening during convalescence But the most pivotal reminiscences are of his student years at Harvard and his experiences as an editor/writer/activist in the 1960s. There is wonderment and bewilderment in Mee's telling of this time. Along with others of his generation, he asks: "What happened? Who were the real betrayers of the dream?".
