Even the most devoted true-crime listener won t predict the outcome of these truly baffling cases until the conclusions revealed in Ann Rule s marvelously insightful narrative: An ideal family is targeted for death by the least likely enemy, who plotted their demise from behind bars . A modest preacher s wife confesses to shooting her husband after an argument but there s more to her shattering story than meets the eye. These and other true cases are analyzed with stunning clarity in a collection you won t be able to stop listening to.
