Excerpt from The Reaction Against Tennyson When he died, in 1870, Dickens was still at the height of his fame. Some twenty years later, however, a decided change was visible, chiefly among such readers and especially among the younger men of letters. It was more than a cooling of enthusiasm: it was a strong reaction. Certain defects of the novelist were keenly felt, and all the more keenly because it seemed that his immense popularity had been largely due to them. Because you could not abide the death of Paul Dombey or Little Nell, you listened to Sam Weller and Mrs. Gamp without a smile. This was the nadir of Dickens's star. After a time it rose again. The wholesome work of reaction was finished. In the more literary sections of the public, and among men of letters, there is now a fairly general agreement about him. His defects, by no means unimportant in quality and quantity, are simply taken for granted; but his astonishing genius is fully recognized, and his almost inexhaustible creations are as keenly enjoyed as they...
