When Jack Teal walks out of a Texas prison, his home for over three years, he collects his hidden cash and sets out to continue his former life. On his way to San Diego, he meets a head strong woman who throws his plans into turmoil. Abruptly, he changes his plans and drives to Northern California where he reconnects with an old friend, a restaurant owner dedicated to giving his employees a chance at success. At Magnolia Cafe most of the staff is comprised of young people trying to survive hardscrabble lives, facing the daily challenges of mental illness and society s repudiation of their worth. It is here that Jack discovers the part of his life that was missing; kindness, concern for others, and self respect. Chic Gast s compelling novel, Magnolia Cafe, is tender and gritty, joyful and contemplative. It is a profound reminder that life can go in many directions, and some of these directions can lead us to that magical place that redefines our very purpose.
