It covers dinosaurs living in the six periods that make up the Mesozoic Age, which spanned prehistoric time 227 million years ago to 65 million years ago. Each book is an illustrated guide to 25 of the best known dinosaurs of that period. Up-to-date information accompanies the highly detailed computer-generated artworks -- big, colorful, lifelike, fill-the-page dinosaurs. The books open with an illustrated introductory spread that provides background information on the time...
