

Economics for Everyone

By Jim Stanford

Paperback. Book Condition: New. Not Signed; Economics is too important to be left to the economists. This concise and readable book provides non-specialist readers with all the information they need to understand how capitalism works (and how it doesn't). Economics for Everyone, now published in second edition, is an antidote to the abstract and ideological way that economics is normally taught and reported. Key concepts such as finance, competition and wages are explored, and their importance to everyday life is revealed. Stanford answers questions such as Do workers need capitalists? , Why does capitalism harm the environment? , and What really happens on the stock market? The book will appeal to those working for a fairer world, and students of social sciences who need to engage with economics. It is illustrated with humorous and educational cartoons by Tony Biddle, and is supported with a comprehensive set of web-based course materials for popular economics courses. book.

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

-- **Otilia Schinner**

The book is fantastic and great. It generally does not expense excessive. Its been designed in an exceptionally easy way and it is simply right after i finished reading through this book by which really changed me, change the way i think.

-- **Adolfo Lindgren**
