Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I ve waited all these years, expecting some one or another would give a full and true account of it all; but little thinking it would ever come to be my task. For it s not in my way; but seeing how much has been said about other parts and other people s sufferings; while ours never so much as came in for a line of newspaper, I can t think it s fair; and as fairness is what I always did like, I set to, very much against my will; while, on account of my empty sleeve, the paper keeps slipping and sliding about, so that I can only hold it quiet by putting the lead inkstand on one corner, and my tobacco-jar on the other. You see, I m not much at home at this sort of thing; and though, if you put a pipe and a glass of something before me, I could tell you all about it, taking my time, like, it seems that won t do. I said, *Why don t you write it down as I tell it, so as other people could read all about it?* But No, he says; I could do it in my fashion, but I want it to be in your simple unadorned style; so set to and do it.
