

Toward Better Governance in China: An Unconventional Pathway of Political Reform (Hardback)

By -

Lexington Books, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. This book examines contemporary Chinese political reform through an examination of a number of policy initiatives taken in recent years. These include programs designed to improve administrative efficiency, transparency, and accountability, as well as directives aimed at rebuilding the regime's political support through strengthening local legislatures, overhauling the health care system, enacting labor contract laws, opening up mass media, and improving governance in China's minority regions.
