

## The Awakening and the Continuum: A Manual of Life Concerning the Exposure of All Materialism, Enigmas and Mysteries

Filesize: 2.98 MB

### **Reviews**

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.*

Xlibris Corporation. Hardcover. Condition: New. 230 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The conclusion to the underground classic of consciousness and resistance to mind control, *The Andar Trilogy* An entertainer in the early days of television, a contractor and businessman, and now a semi-retired gentleman farmer in rural Alabama, Robert Jays work touches on quantum physics and ancient mysticism, on self-awareness and fiat currency. His research shakes the foundation of our religious, financial and legal institutions, and the mass communications empires that keep the curtain drawn between We, The People and the confederacy of dunces, deceivers, and dictocrats who seem to be in charge of our world. His lifelong spiritual journey has been driven by the burning desire to discover the secrets of life and answer the endless questions that accompany our incarnations within this materialistic dimension. Hardly a stone was left unturned in his quest for understanding of religion and metaphysics, yet each course of exploration in these areas invariably led to vague unidentified mysteries, theories, hypotheses, and dead ends. As modern physics discovers that the underlying matrix of creation is not a vacuum but a holographic field of non-localized energy verging on consciousness, and with scientists describing it as the mind of God Jays work takes on a fresh relevancy. Following in the footsteps of Euripides, Voltaire, Paine, Philip K. Dick and Mr. Spock, Jay urges the reader to examine what you think you know and how you came to believe it, and to resist and crush any attempt to impose authoritarian rule over and against rational thought. Fifty years ahead of its time! Maybe a hundred I had my first out-of-body experience just reading the first half This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
