Excerpt from Panama Canal Appropriations and Participation in the Morocco Conference and in European International Complications: Speeches of Hon. Eugene Hale, of Maine, in the United States Senate, December 15 and 16, 1905, and January 15, 1906 I have no malice against him. I am not gunning for him at all, as the phrase might be. He may be the right man in the right place; I hope he is; but I am merely dealing with the general management as we find it and trying to get at the true inward ness of the situation.
