

Secrets to Success for Professionals in the Autism Field: An Insider's Guide to Understanding the Autism Spectrum, the Environment and Your Role

Filesize: 2 MB

Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

(Michel Halvorson)

Jessica Kingsley Publishers, Inc, 2012. Softcover. Book Condition: New. Gunilla Gerland's extensive experience of the autism spectrum means she is expertly placed to offer a fresh perspective on working with autism as well as a wealth of effective tools and interventions to use in practice. In a highly readable style, with many inspiring examples, this book offers original explanations of the impairments associated with autism, showing how to discover the root cause of behaviors that are challenging, not just how to manage them superficially. It looks objectively and non-judgmentally at the common pitfalls and difficulties that autism professionals may encounter, explaining how to deal with these and transition to more effective working relationships. An important section on ethics and reflection equips the reader with the knowledge and skills needed to grow professionally in the field. Packed with original insights and practical, hands-on tools and strategies, this is essential reading for teachers, teaching assistants, support workers, counselors, social workers and anyone else working with individuals of any age on the autism spectrum. "Gunilla Gerland has developed an unusually insightful, 'hands-on' approach to psychoeducational assessment and intervention in Asperger syndrome, an approach that is not only theoretically sound but also readily applicable in real life situations. In this book she shares this wisdom in a highly readable and well-structured way. It is a must for all teachers, relatives and friends of people with Asperger syndrome and related autism spectrum disorders. It should also be required reading for all autism specialists."--Christopher Gillberg, MD, PhD, Professor of Child and Adolescent Psychiatry, University of Gothenburg, Sweden, and Institute of Child Health, UK "It is rare to find a book like this, with pages so packed with insights and well-examined ways of getting all practitioners not only to understand their charges with autism but also to...
