

R.E.W.A.R.D. (Paperback)

By Sharon D Jones

Kingdom Kaught Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The greatest threat to a woman is the lack of balance. A woman's day is consumed with family, work, and her own personal obligations. Every day, a woman is preoccupied with balancing her life along with the lives of those who are connected to her. Serving in ministry is another aspect of balance that many women have to add to their plate of obligations. Ministry is a servant assignment. Embracing this valuable assignment, oftentimes, means self-sacrifice. Because women are nurturers by nature, they tend to over-extend themselves to ensure that others receive the best. Therefore, the result is a quick burnout and emotional frustration. These emotional frustrations lead to depression, illness, death and/or complications in the family and the church. R.E.W.A.R.D. is developed to help women who serve in ministry (i.e. full-time, part-time, pastors wives, etc.) to relax, to relate, to release, and to be restored.
