Brand New Book ***** Print on Demand *****.Learning To Walk is the first of several booklets for following-up a young person s initial commitment to Jesus Christ as Lord and Savior. It provides a sound foundation for the new believer, enabling him or her to identify strategic tools for spiritual growth. Topics deal with understanding the Bible and prayer, helpful discussions about life and death, the importance of both fellowship and witnessing, and frank discussions about spiritual standards. Each topic has personalized notes, as if one was reading a letter from an encouraging friend. There s also plenty of Scripture and clear, Biblical teaching to help the young believer learn how to move securely toward Christian maturity. This is the first book in a series of new believer resource materials, after which comes Learning To Follow and Learning To Become.
