Crown House Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. In This Much I Know about Mind Over Matter John Tomsett addresses, with refreshing honesty, the growing problem of the mental health issues experienced by children and young people, offering up a plan for averting a mental health crisis in our schools. Tomsett interweaves his formative and professional experience with strategies for addressing students mental health issues and insights from his interviews with high profile thinkers on the subject including Professor Tanya Byron, Natasha Devon, Norman Lamb, Tom Bennett, Claire Fox and Dr Ken McLaughlin. The book is replete with truths about the state of children s mental wellbeing, about creating a school culture where everyone can thrive and about living in the shadow of his mother s manic depression. With his typical mixture of experience, wisdom and research-based evidence, Tomsett explains how he manages the pressure of modern day state school headship in a climate where you are only as good as your last set of examination results, a pressure which acutely affects staff and students too. He outlines his strategies for mitigating this pressure and turning the tide of students mental health problems. The autobiographical narrative modulates between self-effacing humour and heart-wrenching stories of his mother s life, blighted by mental illness. His professional reflections are a wisdom-filled blend of evidence-based policy and decades of experience in teaching and school leadership. Tomsett writes with genuine humility. His prose is beautiful in its seeming simplicity. When you pick up one of his books you will find you have read the first fifty pages before you have even noticed: surely the hallmark of truly great writing. Topics covered include: the real state of the nation s mental health, the perfect storm that is precipitating a mental...
