

## The Farewell Glacier

By Nick Drake

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Farewell Glacier, Nick Drake, The poems in The Farewell Glacier grew out of a journey to the High Arctic. In late 2010 Nick Drake sailed around Svalbad, an archipelago of islands 500 miles north of Norway, with people from Cape Farewell, the arts climate change organisation. It was the end of the Arctic summer. The sun took eight hours to set. When the sky briefly darkened, the Great Bear turned about their heads as it had for Pythias the Greek, the first European known to have explored this far north. Sailing as close as possible to the vast glaciers that dominate the islands, they saw polar bear prints on pieces of pack ice the size of trucks. And they tried to understand the effects of climate change on the ecosystem of this most crucial and magnificent part of the world. Nick Drake's new collection gathers together voices from across the Arctic past - explorers, whalers, mapmakers, scientists, financiers, the famous and the forgotten - as well as attempting to give voice to the confronting mysteries of the high Arctic: the animal spirits, the shape-shifters and the powers of ice and...
