By applying the Principle to your own life, you will learn: \* how to become more aware of your own Pleasure/Achievement orientation \* how to enhance the quality of your personal relationships \* how to harness the underlying influences that drive your decision-making style \* how to experience a greater sense of fulfilment while at work, and finally \* how to strike a healthy balance between the experience of pleasure, derived from an appreciation of the moment, and the experience of satisfaction, derived from the achievement of personal goals.
