Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE CURRENT STATE OF INBALANCE We get up early and work late. We are bombarded with texts, emails and phone calls. We have mounting bills and depleting bank accounts. We eat on the run and mindlessly snack on food with little nutritional value only to see it turn into extra pounds on the scale. We carry scars with us from childhood that pop up from time to time in unsuspecting ways. We make choices we don't even realize we are making. We are tired, stressed and overwhelmed. We are not sure what we want to do, only know that we aren't fulfilled by what we are doing. This is what it means to be out of balance. As a society, we are plagued by disease, weight gain and stress. Imagine looking in the mirror with 10+ pounds melted off (for good) as an effect of your body being in its natural state. You notice that your eyes are bright, your skin is radiant and your hair is healthy and strong. You live your life with greater intention and joy. You are no longer held in bondage by bad habits, addiction and self-defeating behaviors. You feel connected to your deeper purpose and what is sacred to you. You have found your own unique path of transformation and you feel truly happy to be...
