Jared, Stan, Mitch, Barry, and Amy live in the small town of Marshfield, or Graveyard City. The town has four old cemeteries, and each kid lives next to one. In fact, they've witnessed so many strange things in the graveyards that they've formed a group called the Zombie Hunters! But the Zombie Hunters hunt more than just zombies - they track ghosts, werewolves, and vampires, too. Each member of the group has started keeping a diary of the group's activities. What will you learn from the Graveyard Diaries? Stans race through Hilltop Cemetery ended with a fall on Randall Fortins grave. That fall caught Stan in the middle of a 100-year-old ghost feud over an apple orchard that no longer exists. When the Zombie Hunters go to investigate, a glowing ghost apple tree sucks Stan into the past and right in the middle of the fight! Can Stan negotiate a truce between the Fortins and Wymans Or will he die with the four men who lost their lives that night many years before? An action-packed series featuring world-class black-and-white interior illustrations to grab young readers attention!
