Brand New Book ***** Print on Demand *****.Broken up into weekly segments, Digging In: Worship and the Word at Home concentrates on one or two verses a week. The family activities and lessons for that passage will not only help them remember the verses, but take them into their heart and apply them to their lives. With around thirty weeks of devotions and several weeks of review, fully understanding the Bible has never been easier. Families get the chance to worship God in a variety of ways. Each week they'll listen to the accompanying CD and sing along to help them learn the verse. Some times they can pick a worship song of their own to sing or play a homemade instrument and some weeks they may play a game or draw pictures. The possibilities to study God's Word are endless in this upbeat devotional. With space for notes, review sections, and an appendix of quizzes, internalizing the Word of the Bible, a seemingly impossible task for some, has become easy for young children, as well as busy moms and dads.
