Reviews

Without doubt, this is the very best function by any writer. It typically will not charge too much. I discovered this publication from my dad and i encouraged this pdf to discover.

Orenda Books, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. ` Like a cold spider, the memory stirred in my head and spun an icy web about my brain. Someone else crawled in. I remembered. Thirty-two-year-old Catherine Hope has a great memory. But she can t remember everything. She can t remember her ninth year. She can t remember when her insomnia started. And she can t remember why everyone stopped calling her Catherine-Maria. With a promiscuous past, and licking her wounds after a painful breakup, Catherine wonders why she resists anything approaching real love. But when she loses her home to the devastating deluge of 2007 and volunteers at Flood Crisis, a devastating memory emerges . and changes everything. Dark, poignant and deeply moving, Maria in the Moon is an examination of the nature of memory and truth, and the defences we build to protect ourselves, when we can no longer hide.
