## A JOURNEY TO THE END OF INFINITY: AN ANSWER, WHEN THE QUESTION IS WHY? (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. It is the role of the exploring theorist to journey through the wilderness, searching for elusive concepts previously hidden from the explorer and their peers. If a discovery enables a view of a previously unknown landscape, the explorer will feel compelled to return home to share their encounters by formalizing their discoveries as best they can given the shadowy framework of truth distinguishable from a human perspective. It is then that the task of creating an accurate description of the most direct path to this new landscape begins. The model presented within this book attempts to describe such a journey, so I've endeavoured to craft a suitable map. It has been my concern before arriving at the conclusions contained within this book, that we appear to have no answer as to how we remain present and capable of experience. These questions are addressed through the unifying model presented in this book, which aims toward rationalizing experience.
